- **Vanitholsavam**
- **Balolsavam**

Based on the participant's **age** and **date of birth**, the system will automatically display the events the participant is eligible to participate in.

To register for events, simply **select the checkbox next to each event** that the participant wishes to participate in. You may select all eligible events, subject to the event rules and participation limits.

Yuvajanotsavam

- ☒ 41C - Group Song (5–7 members)

Once you select the checkbox, the event will get populated on the top as tags.

Events

You could select all the events he/she is participating by selecting each of them

41C - Group Song (5-7 members)

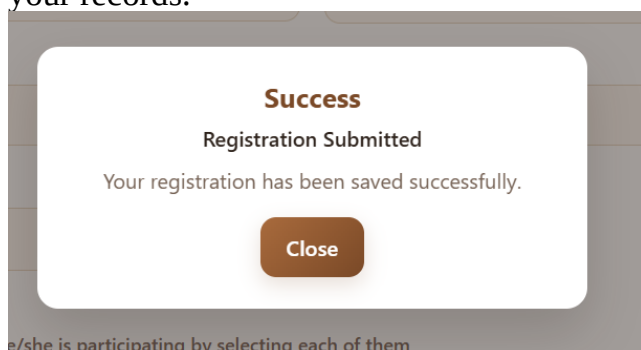

Search events

If you wish to remove a selected event, simply uncheck the corresponding checkbox in the Events dropdown. The event will automatically be removed from the Selected Events list.

Note: *There is a limit to the number of events a participant can register for. Please refer to the participation guidelines issued by Kerala Brahmanasabha before making your selections.*

Once you have selected all the desired events, click the Submit button to complete your registration.

If the registration is successful, a confirmation message will be displayed on the screen. It is recommended that you take a screenshot of the confirmation message for your records.

Please ensure that you are getting this Success Confirmation message on submit.
